TAMARA

Hey! We're Girl Scout Troop 26 and we're an overseas troop in Kuwait with 18 Cadettes and Seniors. We do just about everything a troop in the USA does; sleepovers, camping, service projects. This fall we planned and ran a Juliette Low Birthday Party for all of the troops in Kuwait (there are 8 with a total of about 110 girls) and just recently we went and sold Girl Scout calendars at a US military base nearby. We have a diverse group with girls from all over the world: Kuwaitis, Lebanese, Puerto Rican, American, Italian-German, Indian, and Nigerian. We often send girls to Wider Ops and have had girls do everything from dogsledding in Minnesota, challenge camping in Michigan, to backpacking in the Sierras and sailing in the Netherlands. But, most of all, we're friends and we have fun!
