

Salam Alaikum (Hello),

We are a USA Girl Scout Troop of Cadettes and Seniors located in Kuwait. We have 18 girls (10 Cadettes, 8 Seniors) and 5 advisors. We have girls of 8 nationalities in our troop. Of the Americans, most of us are here because our dads work for the US military, embassy, or for an oil company.

It is very flat and sandy in Kuwait and there are very few plants, but quite a few herds of camels and sheep. This eCard has a picture of camel racing, which is a big sport this time of year. All of our camping is on the beach or in the desert - we're used to a lot of sand. We put on a Juliette Low birthday party for the younger girls in the fall (complete with a maze built out of packing boxes) and a Wider Opportunities night as well. Recently we went to one of the US military bases here and sold Girl Scout calendars. (Lots of guys!) We're planning to do some service projects for the large number of soldiers here and several fun activities soon: ice skating, working on the "Shoppportunity" IPA, a Brownie Try-It workshop, and sailing in the Arabian Gulf. Our favorite activity is having a sleepover in the high school library (computers, books, plus a TV and VCR...) We have a lot of fun together!

Have a Happy Thinking Day!

Katie Cox and Cadette-Senior Troop 26 in Kuwait
